### **LENTEN REFLECTION V**

When Jesus comes, he transforms the nature of religion. We are not called to live good, moral lives so that God may reward us with miracles in this life and blessedness in the next. We are called to live and love like God so that people see the glory of God in this world. When we forgive freely, serve all lovingly, give without counting the cost, the glory of God is revealed in our lives. When we face the difficult, dark and even dead places of our lives with hope, we know that Christ is again rising in our world. This is our faith, this is the glory to which we are called. (*When God Is Silent* by Barbara Brown Taylor)
